Program Web site

Log on to www.contractorpro.com to view your points and account information. At the site you will be able to redeem points for rewards and find other important information including:

- Technical support
- Literature
- Training-on-demand
- Business support tools

Earning Points Is Easy

Just submit Distributor invoices of your qualifying Honeywell purchases via fax or mail.

Points For Free Product

You'll get the most from your Contractor PRO points when they redeem them for product. Turn your points into a Points for Product Certificate that can be used to purchase qualifying Honeywell products at the participating Honeywell Distributor of your choice.

Points For Co-op Advertising

Honeywell also encourages Contractor PRO members to use their points to co-op the costs of promoting or advertising Honeywell products locally. Reimbursement is offered at the rate of 50% on all eligible advertising and marketing materials.

Points For Luxury Rewards

Honeywell is proud to offer a full catalog of luxury rewards from which Contractor PRO members can redeem their points.

Points For Honeywell Branded Merchandise

Contractor PRO members can use their earned rewards points to purchase Honeywell and Honeywell Contractor PRO branded merchandise (shirts, hats, and other accessories) from our online promo collection catalog.

Points for Employee Rewards

Honeywell is proud to offer you the ability to redeem points for employee recognition through the use of GiftPerQs. Similar to AwardPerQs (luxury rewards) your employees have the ability to order luxury items from our online catalog directly. GiftPerQs are the perfect way to reward employees for their achievements or to use as rewards for special promotions.

At Your Service

The Honeywell Contractor PRO staff is here to help. If you have any questions contact us via phone, fax or email.
